If not you. Then who? If not now. Then when?

**Time and time again we have proven the corrupted
courts to rule in favour of the system. The constitution
is not able to serve the people as allegedly intended.**

HOW MUCH LONGER WILL YOU ACCEPT IT?

**United Civilians Saving Australia are
working to turn complaint into action, division into
unity, and dependence into self-determination.**

**Now is your opportunity to stand with us for what
our ANZACs did establishing Australia as a
Sovereign Independent Nation-State
Scan the QR Code and add your endorsement today.**

**By signing the Endorsement Declaration, you will
help strengthen “The Complaint” as it progresses to
international courts, and help amplify the voices of
Australians seeking recognition, accountability, and
lawful meaningful change.**
